

2018 SPRING SCHOLARSHIP FUND GOLF TOURNAMENT

On Behalf of the International Concrete Repair Institute Georgia Chapter (ICRI-GA), I would like to thank you for being a valued member of our local repair industry and this organization. While many contractors, engineers, and manufacturers are present in this local market, it is friendly competition and professionalism that drive success. From design to construction, the combined effort of all parties will be necessary to effectively complete repair projects.

As we continue to bear witness to Georgia's fast changing winter climate, we can't help but hope for spring to arrive sooner rather than later. As the President-Elect of ICRI-GA, I cordially invite you to participate in this year's Spring Scholarship Fund Golf Tournament.

Benefitting: ICRI-GA Scholarship Fund – Our goal is to reach **\$3,000** to provide minimum of **(1) \$2000** scholarship to students in Georgia perusing a degree in Engineering and/or Construction Management interested in concrete repair.
